

HOW TO DETERMINE THE STRENGTH OF BAND YOU NEED

ONE PROGRAM DISK – People with just a need to improve their balance and mobility problems, caused by aging.

TWO PROGRAM DISKS – People with ailment(s) that generally require regeneration of cell tissues and nerve endings.

Ailments include arthritis, headaches, vertigo, fibromyalgia, neuropathy, and body/joint pains of all kinds. SEVENTY FIVE PERCENT OR MORE OF ALL PURCHASES OVER THE PAST FEW YEARS HAS BEEN FOR TWO PROGRAM DISKS BANDS.

THREE OR FOUR PROGRAM DISKS – People with more severe and/or multiple ailments will wear the higher level of program disks to achieve satisfactory results.
